

THE IMPERFECT DOG

About the blog and Dr. Adam Bennett

The Imperfect Dog is written by veterinarian Adam Bennett. It is dedicated to the understanding of dogs and canine body language. Often, dogs in today's society are met with some very difficult (and often unrealistic) expectations. With his background in dog behavior and training, Dr. Bennett explains potential issues, behavioral clues, and dogs in general. Dr. Adam and his spouse foster animals with a rescue in the Twin Cities and focus heavily on dogs with complex behavioral issues.

Subject Areas

positive dog training, animal rescue and foster homes, integration & introduction of dogs, animal body language, reactivity, aggression, behavioral modification, separation anxiety, manners, impulse control
